HUGE BREAK FOR LANKAN CINEMA

Jackson Anthony plays hero in Kerala movie that will be made in Tamil, Malayalam and Sinhala

In one of the most significant breakthroughs in the film industries involving Sri Lanka and India, award-winning Sri Lankan actor and filmmaker Jackson Anthony will play the lead role in the newest Kerala movie 'Lucknow' directed by veteran Indian filmmaker Anil Kumar. The film produced by Beena Unnikrishnan on behalf of the Irish Green company will also have its Tamil, Malayalam and Sinhala versions coming for the first time in the Indian film history.

The Sinhala movie version will be produced by Anura Jasenthuliyana on behalf of Movie Works (Pvt) Ltd.

During a fruitful trip to India, veteran actor Jackson Anthony was formally introduced as Kerala cinema's newest hero amidst a distinguished gathering of film personalities.

The official announcement was made at a glittering event which was attended by Jackson Anthony as a special invitee.

"The praise I received there was tremendous and the welcome was so warm. Despite the common myth that we in Sri Lanka cannot mingle with the Indian film industry, I found no signs of any such hostility. They were so nice and very accommodating. I held a press conference with the Indian media personnel and they were so impressed with the interactions," said Jackson emphasising that it was a moment of pride for him as well as for Sri Lanka as a whole.

In fact, the Kerala version of 'Dharmayuddhaya' had Mohan Lal playing the lead role. Mohan Lal is considered the King of Kerala cinema. Jackson played the lead role in the Sinhala version thus coming into the spotlight.

Jackson will be leaving for India for the film's shooting schedule from December end to February next year in picturesque locations in Lucknow. The locations will include scenes in the Himalayan valleys which will indeed come as a novel experience for our movie lovers. 'Lucknow' will have artistes from Tamil Nadu, Malaysia and also Piyumi Hansmali from Sri Lanka.
